

MEDICAL OUTREACH

JOIN OUR FIRST AID TEAM

The Notre Dame Fire Department's Medical Outreach team is looking for volunteers to assist us with first aid coverage at events on campus, including the football season.

If you are not currently American Heart Association BLS CPR certified, we offer training opportunities on campus for you to become a first aid volunteer!

Volunteers are part of our Notre Dame family as first aid responders at a variety of events on campus that include Notre Dame football, concerts, campus runs, Commencement, special events, and more!

You will collaborate with our nurses, doctors, firefighters, police, ushers, and campus partners to treat guests at events and assist them to return to the event or proceed to a higher level of care.

For more information, please visit
<https://go.nd.edu/MedicalOutreachNDFD>
and apply to be part of our team!

The minimum age to volunteer with our first aid team is 18. If you're 16 years old, you are eligible to volunteer as a runner or room assistant. Volunteer background checks may take up to two weeks to process.

**COME BE A PART OF THE
Notre Dame Fire Department's Medical Outreach Team!**

If you have any questions, please contact Ami Driscoll at adrisco1@nd.edu.

Subject to change due to COVID-19.
